On motion of XXXX, seconded by XXXX, it was moved to **adopt** the following resolution:

RESOLUTION SBPC #2607-02-26

A RESOLUTION TO SUPPORT UNITED STATES SENATOR JOHN KENNEDY IN OPPOSING UNFAIR WILDLIFE BAITING PRACTICES AND ADVOCATING FOR SCIENCE-BASED, EQUITABLE WATERFOWL MANAGEMENT.

WHEREAS, changes in federal waterfowl baiting policy since the late 1990s have allowed the intentional flooding of standing corn, an unsportsmanlike practice with no agronomical justification, to attract migrating waterfowl; and,

WHEREAS, these policy changes have contributed to a dramatic shift in waterfowl migration patterns, disproportionately harming Louisiana and other southern communities, particularly St. Bernard Parish; and,

WHEREAS, mallard harvest in Louisiana declined by approximately 95 percent between 1999 and 2021—the steepest decline in the Mississippi Flyway—while states where flooded corn practices are widespread experienced significant increases in mallard populations; and,

WHEREAS, the concentration of waterfowl in artificially flooded cornfields raises concerns about long-term population health and increased risk of disease transmission, including avian influenza; and,

WHEREAS, United States Senator John Kennedy has called on the U.S. Fish and Wildlife Service to formally study the impacts of flooded corn on migratory behavior, wintering distribution, and economic effects within the Mississippi Flyway; and,

WHEREAS, the St. Bernard Parish Council supports United States Senator John Kennedy in opposing unfair wildlife baiting practices and advocating for science-based, equitable waterfowl management; and,
