RESOLUTION SBPC #2157-08-21

A RESOLUTION AUTHORIZING A GRANT APPLICATION TO THE LOUISIANA DEPARTMENT OF TRANSPORTATION AND DEVELOPMENT'S SAFE ROUTES TO PUBLIC PLACES PROGRAM IN THE AMOUNT OF \$222,967.00 (NO LOCAL MATCH REQUIRED) FOR THE CHALMETTE BATTLEFIELD CONNECTOR.

WHEREAS, the federal transportation funding law enacted in December 2015, known as the FAST Act (Fixing America's Surface Transportation), established the Surface Transportation Block Grant program; and,

WHEREAS, the Surface Transportation Block Grant Program expanded the former Safe Routes to School Program into the Safe Routes to Public Places Program; and,

WHEREAS, DOTD has issued a call for projects under the Safe Routes to Public Places Program (SRPP) that meet the published criteria for surface transportation funding which includes bicycle and pedestrian facilities; and,

WHEREAS, St. Bernard Parish is eligible to apply for this grant which pays for 100% of construction, engineering, and related costs (no local match required); and,

WHEREAS, St. Bernard Parish's goal is to continue to implement the Parish-wide Bikeway Plan which has identified an improvement to the Mississippi River Trail along St. Bernard Highway to include a side path on the south side of the road right-of-way in addition to the existing buffered bicycle lane; and,

WHEREAS, the SRPP program is designed to address safety issues and St. Bernard Parish believes that providing an off-road connector in this area will improve safety for less experienced bicyclists, families with children, and pedestrians wishing to reach the historic Chalmette Battlefield grounds; and,
