COUNCIL POLICY AND PROCEDURES

COUNCIL AGENDA

POLICY: It is the policy of the St. Bernard Parish Council, that there shall be an organized method for the Assembly, Format, Posting Approval, Posting Procedures and Council Member responsibility with regard to Council Agenda's. The Council Clerk shall be responsible for the compilation of the Agenda with the Council Chair as acting supervisor. In the absence of the Council Chair, the Vice-Chairman of the Council shall act as supervisor. The Clerk of Council may delegate any of the tasks associated with the preparation and posting of the agenda, but shall ultimately be responsible for all facets of the agenda.

PROCEDURES:

ASSEMBLY

1

The Clerk of Council shall at all times maintain a working draft of Council Agenda's.

2

Agenda items must be general enough to allow the public to discern what deliberations will take place, but should be as specific as possible to identify the action that is intended to take place. Ideally, an agenda must be reasonably clear so as to advise the public in general terms each subject to be discussed. The Council Chair or Vice-Chair should supervise the writing of the item, and assist the author of the item with more appropriate wording in order to maintain compliance with the Open Meeting Laws.

- a) The Clerk of Council shall include the author or outside agency requesting the agenda item for any meeting as well as the district in which it refers to.

3

Deadline for placing items on a regular meeting shall be set at 4:00 p.m. on the Tuesday prior to the regularly scheduled Council meeting, **no exceptions**.

- a) The Chair or Vice-Chair, as appropriate, shall strictly enforce this deadline to all non-council departments, agencies, and outside sources. Discretion to allow agenda additions past the deadline, should be very strictly scrutinized.

Any Council member may place any item on an agenda by submitting this request to the Clerk of Council and carbon copy the Council Staff.

- a) This request shall be made in writing and shall contain the exact wording for the title to be placed on the agenda.
- b) If the item is an ordinance or resolution, the Chair or Vice-Chair of the meeting which the agenda item is requested to be on, may insist that said resolution or ordinance be in writing prior to the item being placed on the agenda, this discretion shall be allowed by the Chair or Vice-Chair, but not as a way to repudiate the right of the member to place an item on the agenda. Further, any councilmember may request the written ordinance or resolution from the author in order to properly prepare for the meeting.
- c) Ordinances must be submitted in writing prior to the start of the meeting according to section 2-12 of the Home Rule Charter and should be submitted timely enough for the Clerk of Council to input the ordinance into the system. Timely enough shall be defined as at least 96 hours prior to the scheduled meeting. If a member successfully moves to amend an ordinance, then that member should co-operate with the Clerk of Council to have that amendment reduced to writing in order to finalize the ordinance. If an ordinance is amended after advertisement, then the chair shall ask for public comment regarding the amendment in order to allow the public an opportunity for input into same.
- d) Resolutions should be submitted in writing timely enough for the Clerk of Council to input the resolution into the system. Timely enough shall be defined as at least 96 hours prior to the scheduled meeting. However, if the resolution is one from public input or from a motion, or germane topic of the meeting, the member who has moved for the motion shall immediately co-operate with the Clerk of Council to have the resolution reduced to writing. Likewise, if a member successfully moves to amend a resolution, then that member should co-operate with the Clerk of Council to have that amendment reduced to writing.
- e) The chairman shall not exclude an agenda item request by a councilmember. The chairman has sole discretion to allow or disallow agenda item request by anyone or any entity who is not a councilmember.

Anyone or any entity (excluding Councilmembers) who is submitting an agenda item request must be approved by the Council Chair or Vice-Chair as appropriate.

- a) All agenda item requests MUST comply with section 3 above.
- b) All agenda item requests MUST be accompanied by the appropriate paper work in writing BEFORE the item may be placed on the agenda. (Except the Parish President as noted in d) of this section)
- c) All departments MUST submit their agenda item requests to the Parish President or CAO. If approved by the Parish President or CAO, they must submit the requests to the Clerk of Council and carbon copy the Council Staff along with all language and attachments in proper ordinance/resolution format. If an item is submitted from anyone other than the Parish President or CAO, it will be rejected.

- d) The Clerk of Council shall not place any item on the agenda without the applicable paper work first, followed by the approval of the Chair or Vice-Chair as appropriate for the meeting. All submittals must be sent via electronic transmittal (e-mail) and must be submitted in word/excel format. Any agenda item submissions not meeting the aforementioned guidelines will be rejected.
- e) The Parish President shall not be required to fill out an agenda request for the Parish President's Report. This privilege is a courtesy to the Parish President. The President's Report shall be on the agenda of every regularly scheduled council meeting. The Parish President should forward his report to the council clerk for distribution to all councilmembers by close of business on the day prior to the regularly scheduled council meeting. Recognizing, the Parish President will enjoy the discretion to add to that report on the day of the meeting if the President is desirous to do so.
