Louis Pomes
Parish President

St. Bernard Parish Councilmembers and Residents,

As we transition from the vibrant festivities of Mardi Gras to the lively spring season, I am reminded of the unwavering energy and unity that define our community, as well as the unique opportunities our cultural heritage and geography afford us here in St. Bernard Parish. In this busy spring season, we look forward to many exciting festivals and events, but it's also a time to get out and enjoy nature, in the rare and special setting we are blessed to call home.

Our recent Mardi Gras season was a testament to the vibrant community spirit here. The 19th Annual Knights of Nemesis Parade, graced us with a beautiful day, bringing joy and excitement to all attendees and riders. The 74th Krewe of Lourdes ball reminded us of our deeply held traditions and rich culture. Equally enchanting was the Krewe of Old Arabi's neighborhood walking parade in Arabi, which has blossomed into a cherished event, uniting neighbors, friends, families of all ages, and even pets. This day of pure joy and togetherness exemplifies the spirit of our tight-knit community. I extend my heartfelt gratitude to the staff at the Frederick J. Sigur Civic Center for their exceptional efforts in hosting numerous Mardi Gras balls and events, ensuring memorable experiences for all.

Last week, we celebrated the rededication of Patricia Park, marking a significant milestone in our ongoing efforts to enhance communal spaces. The revitalization efforts culminated in the opening of a brand-new playground, providing a safe and enjoyable environment for our children. This project was made possible through the dedication and collaboration of numerous individuals and organizations. I extend my sincere thanks to all who contributed to restoring and improving this vital community space.

Our parish continues to thrive with the addition of new businesses that cater to the diverse needs of our residents, as well as many established businesses who have long contributed to the community in countless ways. We are delighted to welcome and congratulate the following new businesses, as well as established businesses with renewed permits, since my last report; Stella Penelope, Sabor Latino In Arabi, Lover's Golden Décor & More, Faith PCA Services, Parish Plumbing Services, Brian's Home Improvement & Security, Swampified, Comfort Care Transit, NOLA Sit N Stay, and St Bernard Driving Academy.

As Parish President, my staff and I have a running joke—it seems as though we move from one busy season to the next. They tell me, "This week is hectic, but next week might calm down..." both of us knowing that it never does slow down. So, as we transition from the bustling Christmas season into the vibrant Mardi Gras celebrations, we now find ourselves on the cusp of the hectic spring festival season. I honestly look forward to, and enjoy each and every event, and I hope many of you feel the same. It's a blessing and an honor to live in, and serve the vibrant, diverse, historic parish of St. Bernard... however hectic it gets. I love every minute of living and serving here, and look forward to seeing many of you at these upcoming spring events in our community:
