President's Report Council Meeting of Tuesday, July 17, 2018

Good afternoon Council Members, Ladies and Gentlemen:

July 4th Celebration — The July 4th Celebration was again a huge success. The Bell Ringing Ceremony was held at 4:00 p.m. by the Liberty Bell and the 34th Annual St. Bernard Salutes America Celebration kicked off at 4:30 p.m. with music by Amanda Shaw. Following Amanda Shaw was Live 5. The event was well attended with thousands enjoying the food, music and fireworks show. "I'd like to thank all of the employees and volunteers for their hard work organizing the event."

Torres Park Improvements - Parish Government Road Crews readied the site for the skate park and playground in preparation for construction. Additional preparations are being made on the adjacent site for the Fitness Zone that will be built by Hahn Enterprises. The pre-construction meeting for the State Park was held this morning.

The ADA complaint Torres Park and Violet playgrounds are being prepared by contractors to pour surfacing. Expected completion date of all projects is September 17, 2018 (weather permitting). These new projects will be highlighted with state of the art equipment that will provide St. Bernard Parish with quality recreational resources and will continue with this administration's mission to improve the quality of life for all residents

Drain/Street Cleaning – As per Council and resident concern, hundreds of additional drains were cleaned throughout areas of the Parish over the last two weeks. Crews from Sanitation and Recreation focused on grass clippings and debris in and around drains. Crews will continue to address areas that most need attention, especially as we get into the peak of storm season.

Collectively, the Administration and Parish Council ask residents to:

- Monitor areas in and around their neighborhoods
- Assist in keeping the areas around drains free of debris and grass clippings
- Contact the parish if assistance is needed in areas.

Again, we cannot do this without everyone pitching in and doing their part.

Seafood Market – Parish Government has once again partnered with Louisiana Sea Grant to host the St. Bernard Seafood Market at Delacroix Pier event **on Saturday, September 8th** from **9:00 a.m. to 1:00 p.m.** at the parish's new fishing pier complex in Delacroix (5565 Delacroix Highway).
