EXTRACT OF THE OFFICIAL PROCEEDINGS OF THE COUNCIL OF THE PARISH OF ST. BERNARD, STATE OF LOUISIANA, TAKEN AT A REGULAR MEETING HELD IN THE COUNCIL CHAMBERS OF THE ST. BERNARD PARISH GOVERNMENT COMPLEX, 8201 WEST JUDGE PEREZ DRIVE, CHALMETTE, LOUISIANA ON TUESDAY, MARCH 15, 2016 AT THREE O'CLOCK P.M.

On motion of Mr. Lewis, seconded by Mr. Luna, it was moved to **adopt** the following resolution:

RESOLUTION SBPC #1558-03-16

A RESOLUTION AUTHORIZING ST. BERNARD PARISH GOVERNMENT TO ADOPT THE LATEST PROCUREMENT POLICIES SET FORTH BY THE LA DIVISION OF ADMINISTRATION, OFFICE OF COMMUNITY DEVELOPMENT - DISASTER RECOVERY UNIT, IN RELATION TO COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) DISASTER RECOVERY FUNDS.

WHEREAS, St. Bernard Parish Government has been afforded the opportunity to apply and participate in the Community Development Block Grant – Disaster Recovery Program administered by the Division of Administration; and,

WHEREAS, the STATE requires Grantees to establish uniform procedures in compliance with OMB Circular A-102.

SECTION 1. NOW, THEREFORE BE IT RESOLVED by the St. Bernard Parish Council, that the attached policy titled "Procurement Procedures of the St. Bernard Parish Government Relative to the LCDBG Program" is hereby adopted and affirmed on this 15th day of March, 2016.

The above and foregoing having been submitted to a vote, the vote thereupon resulted as follows:

YEAS: McCloskey, Gorbaty, Luna, Alcon, Montelongo, Lewis

NAYS: None

ABSENT: None

The Council Chair, Ms. Callais, cast her vote as **YEA**.

And the motion was declared **adopted** on the 15th day of March, 2016.

CERTIFICATE

I HEREBY CERTIFY that the above and foregoing is a true and correct copy of a motion adopted at a Regular Meeting of the Council of the Parish of St. Bernard, held at St. Bernard, Louisiana, on Tuesday, March 15, 2016.

Witness my hand and the seal
of the Parish of St. Bernard on
this 15th day of March, 2016.

ROXANNE ADAMS
CLERK OF COUNCIL

SAMPLE ST. BERNARD PARISH PROCUREMENT POLICY PROCEDURE RELATIVE TO THE LCDBG PROGRAM

These procedures are intended to serve as guidelines for the procurement of supplies, equipment, construction services and professional services for the Louisiana Disaster Recovery Community Development Block Grant (CDBG) Program. These guidelines meet the standards established in 24 CFR 85.36 and state requirements.

CODE OF CONDUCT

No employee, officer, or agent of the St. Bernard Parish Government (GRANTEE NAME) shall participate in the selection or in the award or administration of a contract supported by Disaster Recovery CDBG funds if a conflict of interest, real or apparent, would be involved. Such a conflict could arise if the employee, officer or agent; any member of his/her immediate family; his/her partner; or an organization which employs or is about to employ any of the above, has a financial or other interest in the firm selected for award.

No officer, employee or agent of the St. Bernard Parish Government (GRANTEE NAME) shall solicit or accept gratuities, favors or anything of monetary value from contractors or firms, potential contractors or firms, or parties to sub-agreements, except where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value.

Any alleged violations of these standards of conduct shall be referred to the (GRANTEE St. Bernard Parish Government E NAME) Attorney. Where violations appear to have occurred, the offending employee, officer or agent shall be subject to disciplinary action, including but not limited to dismissal or transfer; where violations or infractions appear to be substantial in nature, the matter may be referred to the appropriate officials for criminal investigation and possible prosecution.

PROCUREMENT PROCEDURES

The director or supervisor of each department or agency of the St. Bernard Parish Government (GRANTEE NAME) responsible for procurement of services, supplies, equipment, or construction obtained with Disaster Recovery CDBG funds shall review all proposed procurement actions to avoid the purchase of unnecessary or duplicative items. Such reviews shall consider consolidation or breaking out to obtain a more economical purchase. When determined appropriate by the Director or Supervisor, an analysis to determine which approach would be the most economical shall be undertaken.

The St. Bernard Parish Government (GRANTEE NAME) shall take affirmative steps to assure that small and minority firms, women's business enterprises, and labor surplus firms are solicited whenever they are potential qualified sources. The St. Bernard Parish Government (GRANTEE NAME) shall also consider the feasibility of dividing total requirements into smaller tasks or quantities so as to permit maximum participation by small and minority firms, women's business enterprises, and labor surplus firms. Where permitted by regulations, delivery schedules will be developed which will include participation by such businesses.

The St. Bernard Parish Government (GRANTEE NAME) shall assist the prime contractor whenever possible by providing copies of lists which identify qualified small and minority firms, women's business enterprises, and labor surplus area firms.

SELECTION PROCEDURES

ALL procurement carried out with Disaster Recovery CDBG funds, where St. Bernard Parish Government (GRANTEE NAME) is a direct party, shall be carried out in a manner that provides maximum free and open competition. Procurement procedures will not restrict or eliminate competition. The St. Bernard Parish Government (GRANTEE NAME) shall not place unreasonable requirements on firms in order for them to qualify to do business. Nor will St. Bernard Parish Government (GRANTEE NAME) encourage or participate in noncompetitive practices among firms. The St. Bernard Parish Government (GRANTEE NAME) is alert to organizational conflicts which would jeopardize the negotiation process and limit competition. St. Bernard Parish Government (GRANTEE NAME) will not require unnecessary experience or bonding requirements.

Pursuant to state law and federal regulations (24 CFR 85.36(b)), all solicitations of offers shall incorporate a clear accurate description of the technical requirements for the material, service, or product to be procured. In competitive procurements, these descriptions shall not contain features which unduly limit competition. The description may include a statement of the qualitative nature of the material, product, or service and the minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications shall be avoided whenever possible. A "brand name or equal" description may be used to define the performance or other salient requirements of procurement. The specific features of the named brand which must be met by offerors shall be clearly stated.

All solicitations of offers shall clearly set forth all requirements which offerors must fulfill and all other factors to be used in evaluating bids, proposals, or statements of qualifications.

Contracts shall be awarded only to responsible contractors/firms that possess the potential ability to perform successfully under the terms and conditions of the proposed procurement.

Consideration shall be given to such factors as the contractor's/firm's capacity, integrity, compliance with public policy, record of past performance, and financial and technical resources.

METHODS OF PROCUREMENT

Direct procurement by the St. Bernard Parish Government (GRANTEE NAME) shall be made by using one of the following methods depending on the type of service to be procured.

Small Purchase Procedures. Relatively simple, informal procurement procedures will be used where the purchase of materials, single task services, supplies, equipment, and/or other property will not cost in the aggregate more than \$100,000, except where further limited by state law or Disaster Recovery CDBG policy. The procurement officer must obtain a minimum of three oral or written price or rate quotations from qualified sources. Documentation on all quotations received (whether oral or written) shall be made

a part of the file. Selections shall be made principally on price. Payment shall be made upon delivery or completion.

Competitive Sealed Bids/Formal Advertising. Under this procedure bids are publicly advertised in accordance with the state's Public Bid Law. A firm fixed price contract (either lump sum or unit price) shall be awarded to the responsible bidder whose bid is lowest in price and that conforms to all the material terms and conditions of the advertisement for bids.

Competitive sealed bids can be used ONLY when the following criteria are met: (1) there are complete, adequate, and realistic specifications or purchase descriptions; (2) there are two or more responsible bidders who are willing and able to compete effectively; (3) the procurement can be made on a firm fixed-price contract and selection of the successful bidder can appropriately be made principally on the basis of price.

When formal advertising is used the following conditions shall be met.

- i. The advertisement for bids shall be publicly advertised in accord with state law.
- ii. The advertisement for bids, including the specifications and pertinent attachments, shall clearly define the items or services needed in order for the bidders to properly respond to the advertisement.
- iii. All bids shall be opened publicly at the time and place specified in the advertisement for bids.
- iv. A firm fixed-price contract award shall be made by written notice to the lowest responsible bidder whose bid conforms to the advertisement for bids. Where specified in the bid documents, factors such as discounts, transportation costs, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts shall only be used to determine low bid when prior experience indicates that such discounts are generally taken.
- v. Notwithstanding the above, any or all bids may be rejected when there are sound documented business reasons in the best interest of the Disaster Recovery CDBG Program.

Competitive Negotiation: Requests for Proposals/Qualification Statements. The technique of competitive proposals is normally conducted with more than one source submitting an offer. All competitive proposals shall be conducted using a formal RFP/RFQ containing at least the minimum items in the attached RFP/RFQ Outline (See Attachment A). It is generally used when conditions are not appropriate for the use of sealed bids. Architectural and engineering services must be procured via requests for qualification statements; administrative consulting services must be procured via requests for proposals. Other professional services may also be procured by requests for proposals. The following procedures will be used for competitive negotiation:

- i. Requests for proposals or qualification statements must be advertised in a newspaper in the nearest metropolitan area in accordance with the rules of the state's Disaster Recovery CDBG Program. All submittals will be honored and entered into the competition.
- ii. Request for proposals or qualification statements shall contain a detailed list of tasks in the proposed scope of work that is expected to be accomplished.

- iii. The request for proposals or qualification statements shall identify all significant evaluation factors or selection criteria, including the corresponding point system that will be used to rate the proposals/qualification statements. Requests for proposals shall always include cost and at least one non-cost evaluation factor.
- iv. The selecting official (or committee, if one is designated) shall review all proposals and statements received and make a technical evaluation of each. This shall also include a written statement that identifies the basis upon which the selection was made; including the importance of cost (for RFPs).
- v. Contract award will be made to the responsible offeror whose submission is deemed most appropriate to the St. Bernard Parish Government (GRANTEE NAME) with consideration for price, qualifications, and other factors set by the local governing body. Unsuccessful offerors shall be notified in writing within ten working days of contract award. Documentation of notification shall be maintained in the contract selection file for the individual project.

For qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, at least three firms will be solicited. Following the review of the qualification statements received, the most qualified competitor will be selected to enter into contract negotiation. This shall always include negotiation of price to insure cost reasonableness. At the conclusion of successful negotiation, the competitor shall be invited to enter into a contract.

Noncompetitive Negotiation/Sole Source. Noncompetitive negotiation shall be used when small purchase, formal advertising, or competitive negotiation procedures are not feasible. Noncompetitive negotiation will involve solicitations of a proposal from only one source. This can also occur if solicitations under the competitive negotiation procedures result in only one proposal or qualification statement. Noncompetitive negotiation shall only be used when written authorization has been obtained from the state's Office of Community Development/Disaster Recovery Unit (OCD/DRU). In order to qualify for this type of procurement, one of the following circumstances must apply:

- i. The item or service is available only from a single source;
- ii. It is determined that a public urgency or emergency exists and the urgency will not permit the delay beyond the time needed to employ one of the other three methods of procurement.
- iii. After solicitation of a number of sources, competition is determined to be inadequate.

CONTRACT PRICING

Cost plus a percentage of cost and percentage of construction cost methods of contracting MUST NOT be used. St. Bernard Parish Government (GRANTEE NAME) shall perform cost or pricing analysis in connection with EVERY procurement action including contract modifications in accordance with the requirements of "Cost and Price Analysis for HUD Grantees and Funding Recipients". Costs or prices based on estimated costs for Disaster Recovery CDBG projects shall be allowed only to the extent that the costs incurred or the cost estimates included in negotiated prices are consistent with federal cost principals[48 CFR Part 31]. Lump sum prices will only be utilized when there is a definable work product and the quantity to be provided is certain and the contractor assumes all the risk for costs incurred. Unit prices can be utilized when there is a definable work product and the

contractor assume all the risk for costs incurred, but the quantity is estimated. Cost reimbursement will be utilized when the task does not result in a definable work product or the contractor will not assume the risk of incurring the cost to complete the task. Cost reimbursement, unit or lump sum price, or a combination thereof may be utilized as appropriate.

A cost reimbursement type contract is most appropriate when the scope and extent of the work to be performed are not clearly defined, such as a professional services contract. A cost reimbursement contract MUST clearly establish a cost ceiling which may not be exceeded without formally amending the contract, and must identify a fixed dollar profit that may not be increased unless there is a contract amendment that increases the scope of the work.

A fixed price contract is appropriate when the scope of work is very well defined and product oriented. A fixed price contract can only be awarded when fair and reasonable prices can be established through adequate price competition and the solicitation is based principally on price. A fixed price contract MUST establish a guaranteed price that may not increase unless there is a contract amendment that increases the scope of the work.

PROCUREMENT RECORDS

The St. Bernard Parish Government (GRANTEE NAME) shall maintain records sufficient to detail the history of the procurement. The records shall include the following contract provisions and conditions:

- i. Contracts other than small purchase shall contain provisions that allow for administrative, contractual, or legal remedies if contractors violate or breach contract terms, and provide for sanctions and penalties as appropriate.
- ii. All contracts in excess of \$10,000 shall provide for termination for cause and for convenience by the St. Bernard Parish Government (GRANTEE NAME) including the manner in which it will be done and the basis for settlement.
- iii. All construction contracts and subcontracts in excess of \$10,000 shall include provisions which require compliance with Executive Order 11246, Equal Employment Opportunity, as amended by Executive Order 11375, and as supplemented in DOL regulations (41 CFR Part 60).
- iv. All contracts and subcontracts for construction or repair shall include a provision for compliance with the Copeland "Anti-Kick-Back" Act (18 USC 874) as supplemented by DOL regulations (29 CFR Part 3).
- v. All contracts or subcontracts in excess of \$2,000 for construction or repair shall include a provision for compliance with the Davis-Bacon Act (40 USC 276a to a-7) as supplemented by DOL regulations (29 CFR Part 5).
- vi. All construction or repair contracts or subcontracts in excess of \$2,000, and in excess of \$2,500 for other contracts which involve the employment of mechanics or laborers, shall include a provision for compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) as supplemented by DOL regulations (29 CFR Part 5).
- vii. Each contract shall include a notice of OCD/DRU requirements and regulations pertaining to reporting and patent rights under any contract involving respect to any discovery or invention

which arises or is developed in the course of or under such contract, and of the state requirements pertaining to copyrights and rights in data.

- viii. All negotiated contracts shall include a provision that makes it possible for the OCD/DRU, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, to have access to any books, documents, papers, or records of the contractor/firm that are directly pertinent to the contract, for the purpose of making audit examination excerpts and transcriptions. Further, the contract must include a provision that all required records will be maintained by the contractor/firm for a period of five years after the St. Bernard Parish Government (GRANTEE NAME) formally closes out each Disaster Recovery CDBG program.
- ix. All contracts, subcontracts, and subgrants in amounts in excess of \$100,000 shall contain a provision which requires compliance with the requirements of Section 306 of the Clean Air Act (42 USC 1857 h), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).
- x. Contracts shall recognize mandatory standards and policies relating to energy efficiency that are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94-163).
- xi. The St. Bernard Parish Government (GRANTEE NAME) will be permitted to require changes, remedies, changed conditions, access and record retention, and suspension of work clauses approved by the OCD/DRU.

CONTRACT ADMINISTRATION

The St. Bernard Parish Government (GRANTEE NAME) shall maintain contract administration systems that insure contractors/firms perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. The accepted performance of contractors/ firms will be a factor in subsequent contract negotiations and award. Remedial action by the St. Bernard Parish Government (GRANTEE NAME) through legal processes shall be considered in instances of identified significant nonperformance.

DISPUTE/RESOLUTION CLAUSE

Any person who is aggrieved in connection with the solicitation or award of a contract shall protest to the St. Bernard Parish Government. Protest with respect to a solicitation shall be submitted in writing at least two days prior to the opening of bids. Protest with respect to the award of a contract shall be submitted in writing within fourteen days after the contract award. If a timely protest is received, the bids must be impounded and cannot be opened until the protest has been resolved. Specifications cannot be protested after bids are opened. An award protest is brought about because an aggrieved party feels that the award was made to a company that did not meet or is not performing in accordance with all of the specifications. If a timely protest is received, the award must be stayed until the protest has been resolved (unless it is declared as an emergency).

(This is a sample only. It includes the minimum Federal requirements. Each local governing body should revise the Policy to reflect its own specific needs/criteria..)

6-1

PROCUREMENT POLICY

ATTACHMENT A – RFP/RFQ OUTLINE

A well-written RFP or RFQ will contain all of the information the proposers need to know in a manner that captures interest and is easy to follow. The RFP or RFQ should consist of an introduction and five sections, each of which is summarized briefly on this page:

1. **Advertisement/Purpose (Introduction)** - Cover letter to summarize the services being solicited and the due date for proposals.
2. **Program Information** - Include an overview of the grant/project status and a summary of the roles and responsibilities of all involved parties to provide the context for the solicited services and capture the interest of potential respondents.
3. **Scope of Services** - Start with an overview of the solicited services, summarize general expectations, specify the anticipated role of the selected firm, and provide a detailed list of tasks to be accomplished. Should be connected to the fee proposal and be detailed enough to be in the final contract.
 - **Statement of Work (RFP only):** List in detail the tasks the selected consultant will be expected to perform. List must be detailed enough for consultant to provide price or estimated cost for the services.
4. **Submission and Evaluation Requirements** - Describe what sections should be included in the proposal (e.g. approach, organization chart or staffing plan, fee proposal (RFP only), etc.) and what information each of those sections should contain. Also describe the criteria the Committee will use to evaluate the proposal and the weights for each criterion. Submission requirements and evaluation criteria should be linked.
 - **Approach section (RFP):** For each task identified in the scope of work, respondent is to describe how they would accomplish the task(s).
 - **Project staffing:** Include an organization chart, names and roles of principal staff members, time commitments for principal staff members, and attach resumes.
 - **Qualifications:** Include project summaries for your team's relevant experience, organized by firm or by type of experience.
 - **Fee proposal (RFP only):** Price for services described in the approach, broken out by task.
 - **Evaluation Criteria:** List the criteria on which the proposals will be evaluated (e.g. creativity of approach, reasonableness of fee, quality of relevant qualifications, previous experience, etc.) and give the weighting for each criteria.
5. **Schedule and Required Information** - Provide information about the procurement not related to the actual project. This includes a schedule/timetable for the procurement, information on written questions and pre-proposal conference, contractual obligations, information on conflict of interest, and all other required clauses.
6. **Attachments** - Provide any required forms (e.g. form for fee proposal or Certifications/Assurances), further clarify the expectations by including a sample contract, copies of the roles/ responsibilities checklist, and/or scopes of work for other consultants, and include more detailed information on the project (e.g. application or project summary).
